IN2 MUSIC International mini-conference on MUSIC & DANCE

Take part in the 1st IN2 MUSIC International MUSIC & dance mini-conference! Share news & ideas, promote your work, network with field specialists, attend open panel discussions, and improve your skills!

IN2 MUSIC mini-conference is the 1st regional Caribbean and Latin music open discussion conference in its first year aimed towards salsa and related genre music industry. The conference will be held end of June as a part of the Croatian Summer Salsa Festival and will gather international DJ's, event promoters, artists and music & dance affiliates from the whole world in order to promote their work, share knowledge & ideas while making new friendships and business opportunities. During this unique event you can also enjoy the activities of Croatian Summer Salsa Festival...

THURSDAY 23.06. 16.30h : **OPEN DOORS DAY!**

EXCLUSIVE INTERVIEW WITH A STAR OF TIMBA - "MANOLITO SIMONET: CUBA & IT'S MUSIC"

We dance to their music, we follow the beats, sound of conga and feel the clave pulsing. It's about time we meet in person people who create the music we enjoy so much and hear their thoughts about past, present and future of "our" music.

Guests: Manolito Simonet (musician), Antonio Martinez (promotor/ manager endirecto.de)

Moderator: Tito Ortos

OPEN FOR EVERYBODY!

THURSDAY 23.06. 16.30h : **OPEN DOORS DAY!**

DANCERS VS DJ'S: VOX POPULI – What the dancers want?!

This discussion aims to present and possibly confront two views on DJ'ing the Latin Music: Dj and Dancer views. This is the chance for the dancers to finally say what's on their mind concerning the choice of music that DJ's are playing to them, and in the same time also the place where dancers can see what challenges are put in front of DJ's. Ask questions, criticize, suggest, and be constructive! By all means, everyone is invited!

Moderator: Ana Budin

OPEN FOR EVERYBODY!

24.06.
