

CONDITIONS FOR ATTENDING INSTRUCTORS WORKSHOPS!

PLEASE READ CAREFULLY

In applying for the instructor workshops, priority will have instructors, coreographers and their assistants with a certain amount of experience in teaching salsa. The number of participants – due to keeping the quality – is limited to max. 50, in the first round (until 11.05.) only 2 individuals will be accepted automatically from each dance club or group. If a club is composed of more independent groups (e.g. of cuban and LA seperately), or has seperate dance instructors and leaders of show groups (coreographers), on the basis of a special notification, from that club at starting point 4 participants will be accepted. The rest of the instructors, coreographers and assistants will be accepted on the instructor waiting list. Every registered individual will be sent an acknowledgement receipt of registration and status he/she is in (accepted registration or the ordinal number on the waiting list).

Please send a confirmation of your status in your club to the official memorandum of our club, with a signature and a stamp, to fax no. **00385 1 6523 906** or scanned on e-mail program@crosalsafestival.com. Clubs may send a collective information for a couple of instructors, coreographers and assistents.

NOTE 1: *Accepted registration becomes valid only after payment of the amount for the instructor workshops – individuals which haven't payed until the 11th of May are automatically transfered to the waiting list!*

NOTE 2: *Registrations are possible till the filling of quotes – they may be filled before the stated date (11.05.), and if there are still places left, they may be done till the begining of the festival. The stated date is just a starting date from which the waiting lists are opened, if there are any places left.*

Candidates for instructors/coreographers, and the dancers who wish to attend the instructor workshops may also appeal, but they are automatically transfered to a special, dancers waiting list.

NOTE 3: *In these workshops, the instructors will be teaching on the level which will be easily followed only by individuals with a certain amount of knowledge and understanding of salsa (advanced), as well as teaching and methodological techniques (at least intermediate). If beginner instructors apply for the workshops, or dancers without any instructor experience, we don't take responsibility for possible difficulties with keeping up with the classes.*

In the period between the 14th and the 27th of May the notice will be sent to all individuals from the instructors waiting list, whether there are any places left in the workshop or not. Individuals that have applied on the dancers waiting list will receive the notice between the 28th of May and the 8th of June.

NOTE 4: *For those who want to attend the instructor classes along with the festival program, the price of the instructors pass will be possible for payment ON THE DATE OF PAYMENT of the full-pass (or the freak-pass), and not on the day of applying for the list, so don't wait with the payments! In the case of the acceptance of your application in the second or the third round, only the adequate difference has to be additionally payed. (If you should want to attend only the instructor workshops, you should mention it, by all means, in your application.)*
